INVITATION TO ICTUS 19

Dear Colleagues:

The Korean Tunnelling and Underground Space Association (KTA) would like to invite all of you to the 2019 International Conference on Tunnels and Underground Spaces to be held at ICC Jeju in Jeju Island Korea from September 17 to 21, 2019.

The conference is operated under the platform of the ASEM19 congress. ASEM19 is a single platform for various fields of studies including tunnel technologies, and a total of 12 conferences will be held under the platform of ASEM19.

The theme of the conference is "Tunnels Connecting to Another World". An intellectually scientific technical program will be prepared in consistent with the theme of the conference. The conference will provide participants many opportunities to exchange new information and ideas related to tunnelling and underground space construction industry.

ICC Jeju is Korea's largest and newest international exhibition and convention venue, located in Jeju Island of Korea.

Each member of Local Organizing Committee will make sure that the symposium will be fruitful and memorable. Anticipating your continued cooperation and active participation for the forthcoming symposium, we look forward to welcoming you here in Jeju island Korea

Best regards,
